SCROLL

**Colossians 2:2-3 (NASB)**

... that their hearts may be encouraged, having been knit together in love, and attaining to all the wealth that comes from the full assurance of understanding, resulting in a true knowledge of God's mystery, that is, Christ Himself, in whom are hidden all the treasures of wisdom and knowledge.

## Our Campus

This years theme "One in Christ" became an integral part of life for students, faculty and staff at Northwestern College. The student body learned the benefits of working as a whole in achieving growth, whether it was in the classroom, on the field, or back in the dorms. The faculty and staff also worked together to provide the students with an environment for learning, both mentally and spiritually. Finally, the student body and the staff came together to share as "One in Christ."

# NWSA — Bringing Students Together As “One In Christ”

This year the NWSA's theme was "One in Christ" taken from Colossians 1:2 & 3. The Student Association kept this theme in mind while striving to adequately meet the spiritual, social, and desired needs of the students through a great number of activities. These fun events included Orientation Week, Homecoming, a Michelle Pillar concert, and of course rollerskating every other Friday night. The NWSA was really "on the move" in bringing students together as One in Christ.

The main emphasis of the Student Missionary Fellowship was to challenge the students of Northwestern College to become actively involved in missions by keeping them informed about various mission needs so that they would be able to more effectively pray for these needs. The organization also encouraged students to become involved through prayer and financial support by taking an offering that will help to support students who have decided to serve God on the mission field during the summer months.

# From Around The World

The International Student Fellowship was formed in 1984 to provide the international students at Northwestern with special times for sharing, fellowshiping, and having fun. It continued its second year with members from twelve different countries and with the sponsorship of Dr. and Mrs. Samuel Pittman. Outside of its monthly meetings, the organization took part in such activities as leading chapel and witnessing to other students at the University of Minnesota.

This year marked the arrival of a new resident director: Monica Groves (Moyer) and a move from Moyer to Hartill was by Jennifer Dreyer. Jennifer was also responsible for the first wing of third floor of Berntsen. Hank Ruetz continued to be the resident director for Berntsen.

The residence assistants are the ones who help direct the activities in the student residences. They are just one of the many groups of Northwestern students who have leadership responsibilities on campus. Their duties include monitoring the residence buildings, conducting floor meetings and offering a listening ear. They also meet for weekly and monthly meetings and plan a chapel and a social event for each quarter.

# The Eagle

The 1985-86 EAGLE staff put their talents to good use, putting in much time and effort to make the paper interesting and useful to the college community. In addition to campus news and interviews, the monthly publication featured news summaries, articles on various services available in the area, and chapel reviews.

# The Sound Of Music

Maranatha Auditorium came alive with Rodgers and Hammerstein's "The Sound of Music" performed October 25th, 26th, 31st, and November 1st, and 2nd. Set in Austria in 1938, the musical centered around Maria as she found a life for herself outside the convent and discovered that "when God closes a door, He opens a window." Carol Thomas-Johnson, director along with music director Bryan A. Dobson, and an exceptional cast, crew, and orchestra, made every performance an experience to remember.

# Christmas Gala; A Festive Celebration

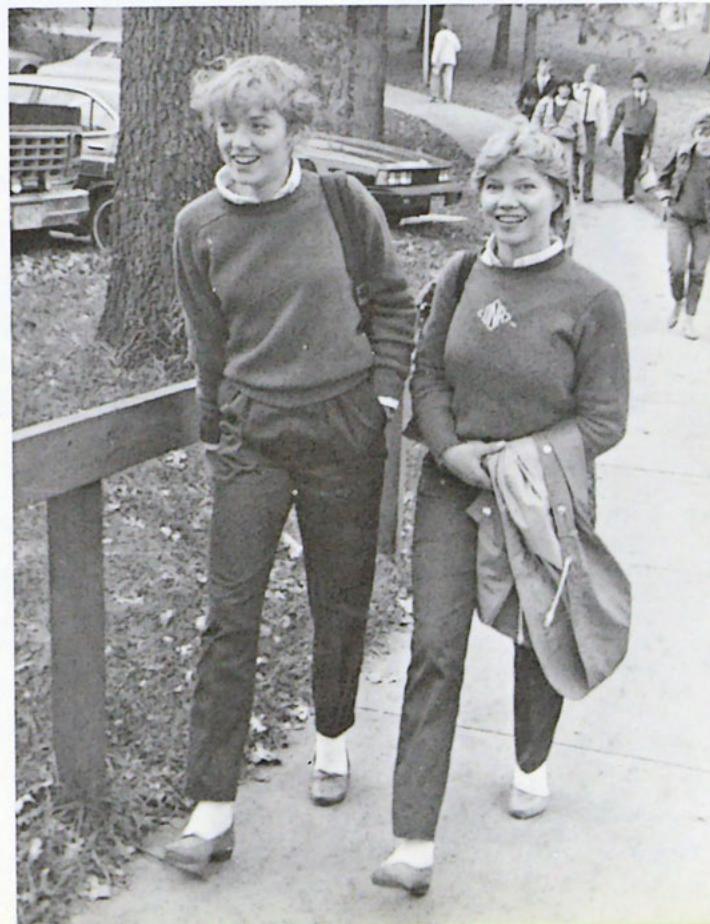

There were no "bahum-  
bugs" to be heard during  
this year's Christmas sea-  
son, for not one of us could  
evade the warmth and joy  
that was everywhere on  
campus. Christmas at  
Northwestern was made  
even more memorable and  
special with the produc-  
tion of the Christmas  
Gala, "Behold Your  
King." The three per-  
formances, given December  
12th, 13th, and 14th,  
could be described as  
nothing less than spectac-  
ular with the combined  
talents of 150 Choir, Or-  
chestra, and Drama stu-  
dents involved (not to  
mention the time and ef-  
fort put in by the faculty)!  
And those who attended  
the banquets were further  
entertained by an espe-  
cially talented group of  
Madrigal Singers as well  
as performances by the  
Handbell Ensemble. Too  
bad Christmas only comes  
once a year!

Chapel time has meant various things to different people. To some it may have been a time to catch up on sleep, finish homework or study for a big test. For others, it may have become a time to concentrate on the speaker's words and apply them to their own lives or a time just for listening and enjoying the people who ministered to the student body.

But most importantly, chapel time was a time when we, the students of NWC, could pause from our busy schedules to worship the Lord and meditate on His word through the medium of speakers, singing, drama groups and sharing what was in our hearts.

# Faculty Changes

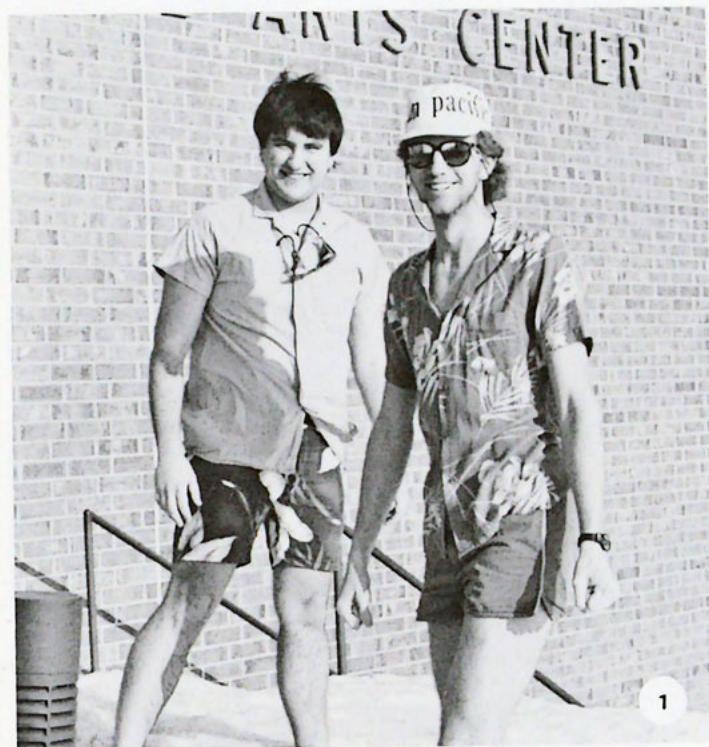

Several changes in the administration were noticeable this year. Mark Muska became the new Dean of Men and Charles Aling took over as the new Director of Ministries. They replaced Kyle Wilson, who became Dean of Students and Dwight Gunberg who became Dean of Faculty.

Harvey Martin, in Bible, and Wade Wahl, in Psychology, completed the list of new faculty. In addition, several part-time faculty became full time, and other professors worked towards or received their doctorates.

# Snow Daze: An Escape From Reality

1

Winter is the time of year when we all feel the need to "escape" — go to Florida, California, or maybe Hawaii. This year, as with every year, college students had to settle for something much less elaborate ... Snow Daze, which lasted from January 15th to the 17th.

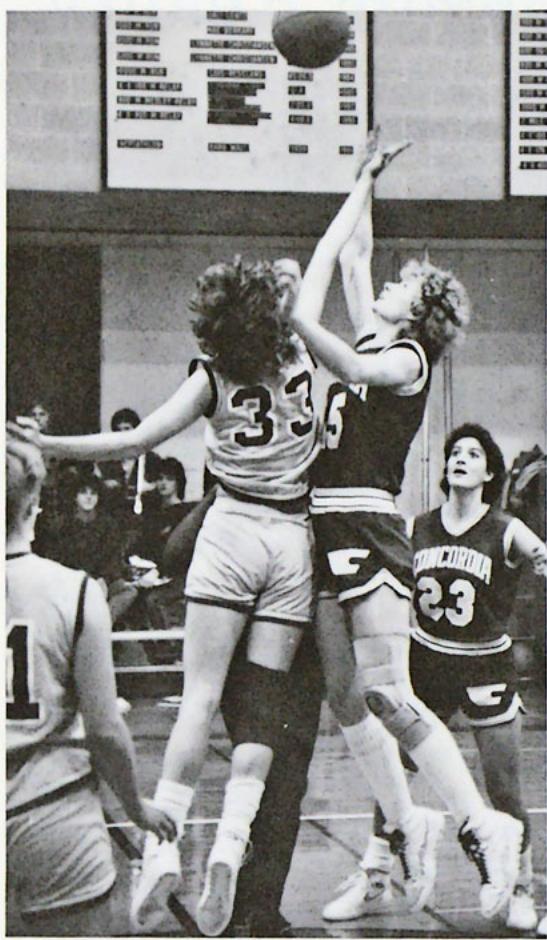

The 15th gave the illusion that we were populated with medical students. Everywhere one looked there were students and faculty dressed in white. Drawing closer to the dream of getting away, students and faculty took on the look of Hawaii on the 16th. The final day of festivities involved a professor/student look-alike day. Professors were seen in the hallways wearing jeans and sweatshirts while students dressed in suits and ties.

# Everything's Coming Up Eagles

Homecoming '85 was an exciting time for all as we officially ushered in the new academic year. The festivities not only included the dress-up days, but numerous other events as well. One of these was Thursday night's spirit-filled pepfest in which we cheered on our athletes. Then Friday we watched with anticipation and pride as Nancy Roszhart was named our new Miss Northwestern. The student banquet was that evening followed by a concert with Michelle Pillar.

Tension mounted on Saturday with three important games to be played. The volleyball team beat out St. Paul Bible College while the football team suffered a bittersweet loss of 6-7 against NWC of Wisconsin. And though the soccer team gave it their all, they also suffered a loss of 0-1 to St. Scholastica. Saturday also included a special tribute and birthday party for a special man: Chancellor Berntsen.

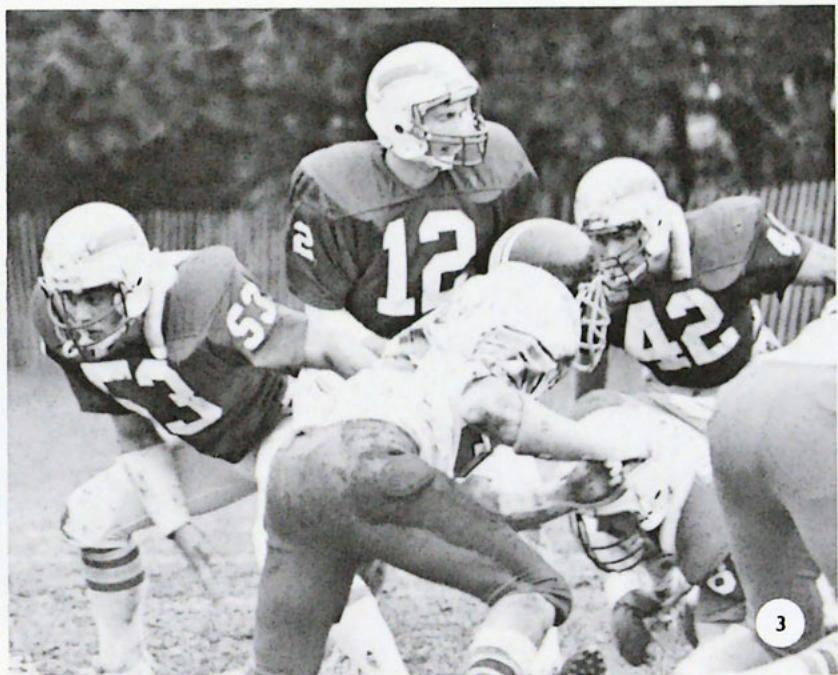

Pew! The flurry of activities seemed never-ending; and although our Homecoming lasted but one week, we were all left with memories to last us a lifetime.

# Dress For Success

Homecoming week provided us all with the opportunity to show our spirit by participating in the various dress up days. And show our spirit is exactly what we did!

On Monday we got to dress like our favorite people- who else but our roommates! Then came Tuesday, officially deemed Inside Out Day, and greatly appreciated by those of us who hadn't done our laundry for awhile! Hundreds of Northwesterners went "incognito" on Wednesday and hid behind their hats and shades; and we will not soon forget Thursday as we had to wade our way through the sea of polyester. Yes, Nerd Day was quite a hit at NWC, allowing us all to be the fashion plates we really are. Last, but certainly not least, was Friday, the day to sport our school colors of purple and gold.

If we got a little crazy during the week who could blame us? It was only because we were filled with the enthusiasm that makes our school what it is: great!

# Team Flies Through Outstanding Season

1

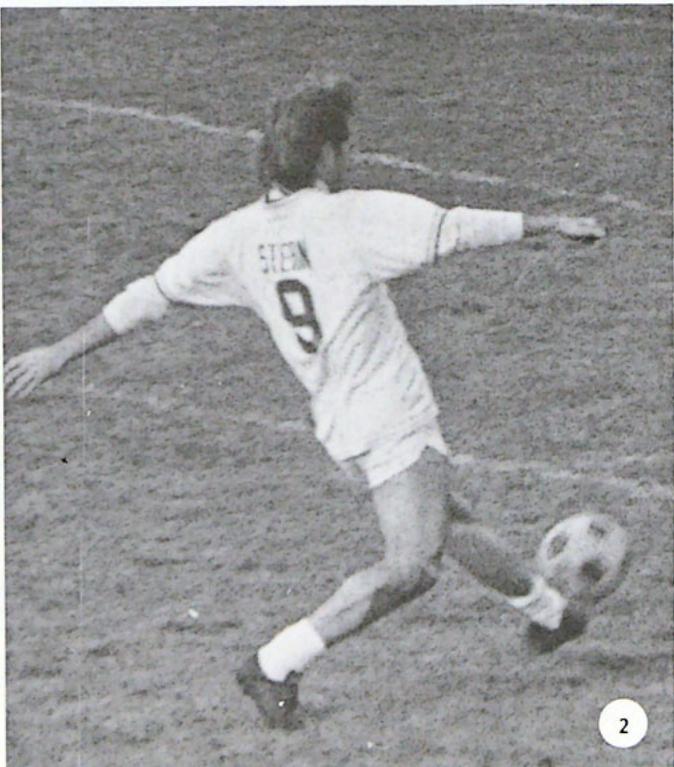

Yes, this years Bobs "headed" to Longview, Texas for Nationals. This was the first time the Northwestern soccer team had made it that far. The biggest disappointment this year was the loss of "Superstar" Kevin Kahle for the season to a knee injury. The team was 5-3-1 during the regular season, adding three more wins in District playoffs.

The Bobs travelled to Chicago for District Playoffs and were victorious. They defeated Olivet-Nazarene (home) 7-0, Greenville 3-0, and Grand Rapids Baptist, voted #1 in the nation, 2-1.

All-conference awards belonged to Bobby Clatterbuck, Lee Nyquist and Travis Delzer. The team as a whole has great depth and play as a unit. Coach Crawford states very positively, "We have tremendous unity, but not uniformity." Tim Gorsch, the team captain, held the team together through his spiritual leadership.

The guys took third in Nationals by defeating Asuza Pacific College 2-1. Their only loss in the tournament was to a very good Cederville team 1-0. While in Texas, they were also able to do some extra activities besides practicing and playing. They went shopping one day and bought boxer shorts. A relaxing moment did come in to their busy schedule, however, when they were able to sit around a pool and catch some rays (while most of us were snowed in at home).

Now that it's over for this year, the city of Longview will have to wait until next year for the return of Baby face Wohler and his gang.

# Women's Volleyball Spikes Again

The Women's Volleyball team had quite a successful season and continually showed improvement. They won a great percentage of their games, and when they did lose, it was to a close, well-played match.

The Spikers advanced to districts in Illinois, where they quickly proceeded to the semi-final playoffs. However, a tough match against Trinity Christian College ended in defeat, closing the 1985 Volleyball season.

# NWC Eagles Men's And Women CC Teams Soar With New Changes

Cross-country saw some major changes this year; one being a new coach. Doug Huffman, the rookie coach, combined the mens and women's teams and moved with the team into Division I competition which is more competitive than the previous Division II level.

Four returning lettermen, three of whom are Seniors, and four fresh-

men, made up the men's team of eight. However, Larry Davis was out for the last half of the season due to injuries. The men's team finished 8th at Nationals out of 16 teams.

Lisa Radcliff placed 31st out of 65 women at National competition. She consistently improved her times and had a good season. Being the only female was tough at first, but Lisa

# The Kids Are Alright

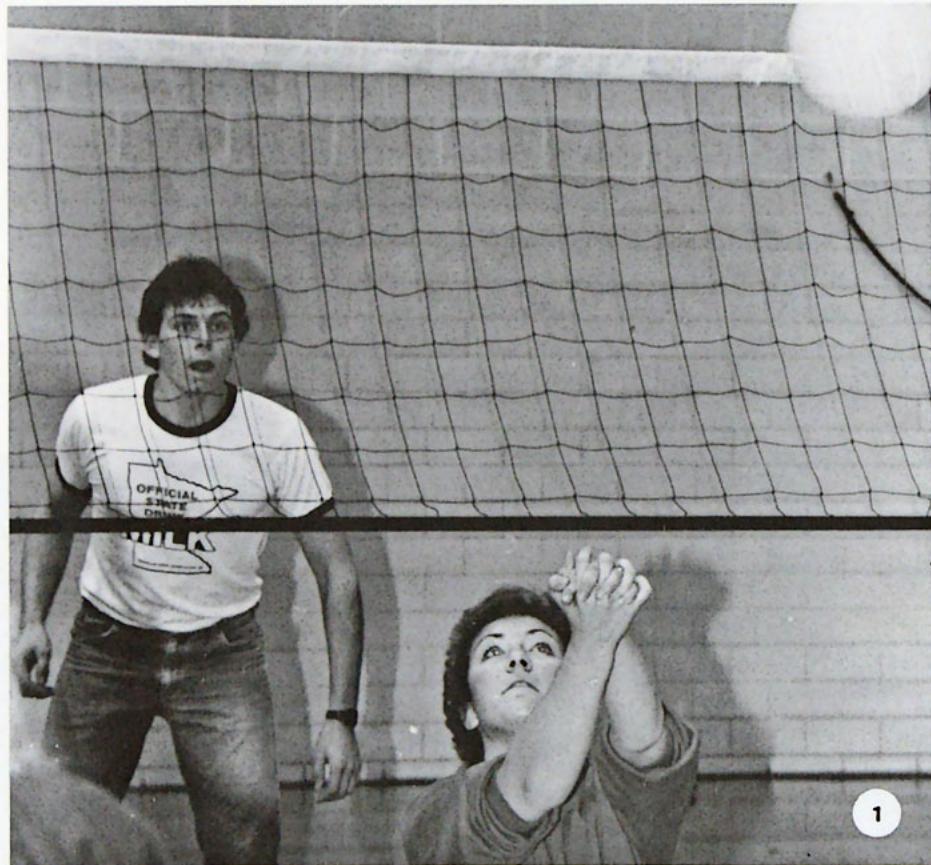

Grueling competition was often seen on the Rosebrook field as the Rebels, Avengers, GBU's and Kids battled it out. The Kids defeated the Rebels 37-20 in the year's intramural football championship game, which finished off an outstanding season for all the league teams.

1. Tracy Grimm bumps the ball as another team member looks on. 2. Darcy Moe makes an important bump. 3. A team works together to score a point.

# Is There Life After Aerobics?

Intramural Aerobics offered students a chance to unwind and release tension after a long hard day of lectures and note-taking. The classes were held four days a week and were led by Zoe Ann Zoebisch, Nancy Cavanaugh, Jodi Lundquist, and Judy Jankowski. Those who were daring enough to attend the 75-minute sessions not only discovered the true meaning of exercise, but also came to a greater appreciation of the healthy bodies God gave them.

1. "Raise your hand if you're sure!" 2. Beth Finne and Betsy Guderian contemplate whether or not there is life after aerobics.

## Women's Basketball

5

After two straight years of winning the Division II title, the Women's Basketball team went on to compete in a tougher division — Division I. With two senior starters, the team was strong on experience and shooting skills, giving them the strength they needed to compete in districts. This year's captains, Pam Sheldon and Sherri Kremer, provided excellent leadership, as did top scorers Robin Bauer and Julie Lundberg. Pam Sheldon was also leading the nation in freethrows during the season with a whopping 87% as her record.

Coach Dan Smith felt that the team's strongest point was their cooperating skills which brought out the best in everyone. In his words, "They would rather pass than shoot," emphasizing the teamwork which led to a successful season for the Women's Basketball Team.

# Eagle Basketball Soars

The 1986 Eagle basketball team came into the season with high expectations. One goal was to win at least half of the games before Christmas. Having accomplished a 6-6 record, the team went on to strive for the conference title. The team was led by co-captains Jeff Dahl and Neal Rich, along with Kevin Ewert, Kent Hannestad, Todd Olson, and Joe Doran. One characteristic that led to the Eagle's success was their dependence on each other. Reflecting on the season, Coach Bocken said, "The team has worked hard and reached some goals. We're very happy with them and proud of them."

Stan Miller breaking down his opponent to the mat.

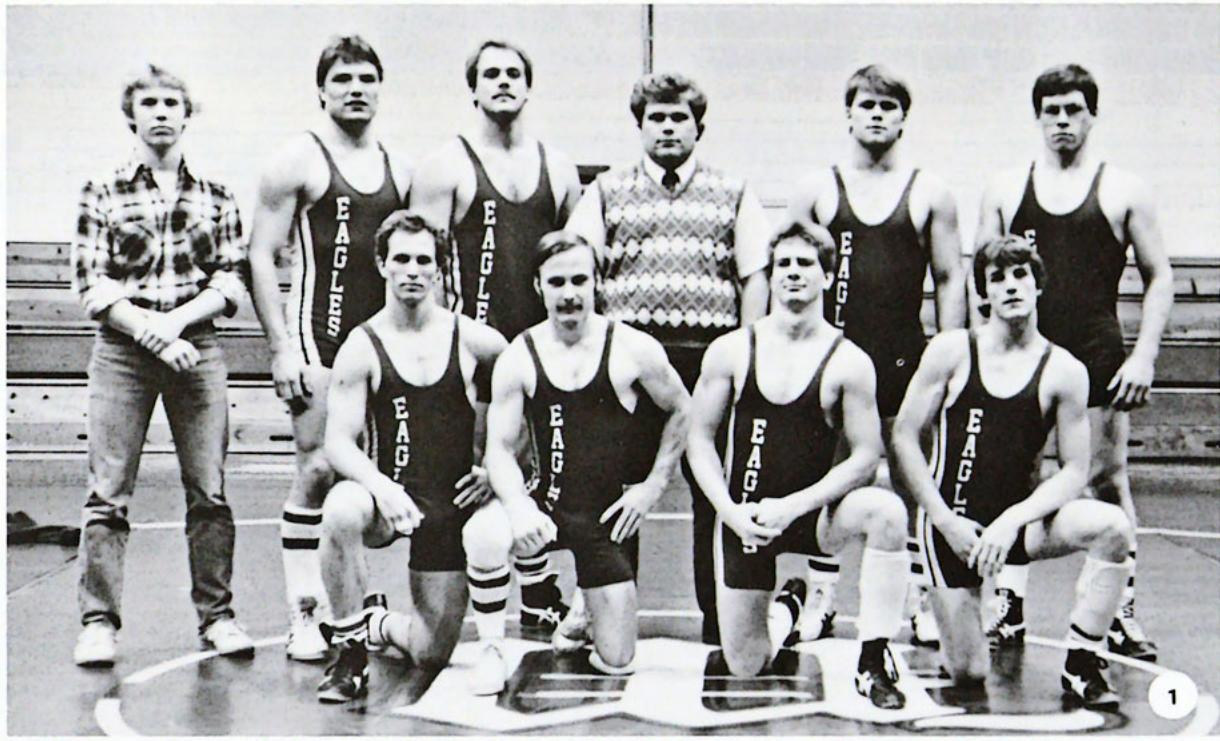

The 1985-86 Wrestling team, coached by Dean Almquist, showed marked improvement over last year. The returning lettermen were all stronger than in previous years. The new additions to the team also proved to be of great help.

The Eagles competed against many opponents from larger schools. As captain of the team, Sam Taylor exemplified many aspects of a good leader. Ed Norman also helped out in the leadership area spiritually, as well as on the mat. Dave Geary and Ringo Burg both had an increase in the win column and helped stabilize the team. And first year wrestlers Jim Brandli and Mark Mossman helped the team by wrestling with courage and a positive attitude. Stan Miller also gave the team an added spiritual dimension. Doug Burkhart was the one to turn to when a little spark was needed to pick up the team.

# Cheerleaders Spread Eagle Fever

Cheerleaders worked hard this year to boost team spirit. This involved several long grueling hours of practice besides all of the games. The Cheerleaders also promoted team spirit behind the scenes by sending team members treats and encouraging notes in their p.o.'s. They also got the school involved by posting game announcements around campus.

Gracia Shindo, cheerleading captain, stated that her goal for the team was "to be sharp-looking in their routines in order to be good representatives for the school, and to also look professional while cheering the team on to victory."

Overall, the cheerleaders were a significant part of Northwestern College by igniting team spirit, promoting team unity, and spreading "Eagle Fever"!

## HOCKEY CLUB

# Hockey Players Strive For Excellence

1

The Hockey Club was made up of fifteen men with a common goal: to win each game that they played while demonstrating Christian attitudes. Because their time at the rink was limited, practice was not held. The players simply showed up each Friday night to have fun and to improve their skills as individuals. In the long run, the team hopes to become intercollegiate.

# Intramural Teams Great Success

1. "One small leap for Intramural Basketball." 2. "Watch this, another two points."  
3. "What do I do now?" 4. "I got it!" "No, I got it!"

Intramural basketball had a great turnout this year both for the men and women. Some of the men's top teams included: Roger's Rejects, Hawaiian Punch, Eye of the Eagle Claw, and Kitchen Kleavers. Bucket Brigade and No Names were a couple of the women's teams. The key to the players' success was the ability to have fun while participating in a sport they enjoyed.

# Intramural Broomball - The Sport People Are Falling For

Broomball was on the move this winter. Twelve teams whacked away at Oasis Park, Sandcastle, and Lake Johanna. No major injuries occurred but several people experienced bruises, cold feet, and sore bottoms.

Remarkable Bob Popp, player for Broom County, "Broomball is an exciting and fun sport. The hardest part of the game is not being able to keep your balance on the ice."

The teams were divided into two leagues: Svenskis and Norskis, and they battled it out either on Mondays or Thursdays.

The main thing this sport required was for the player to "be good on his/her feet."

Ask any player and they would tell you that intramural broomball was definitely the sport people were falling for.

1. Governor Quie challenged the graduates. 2. Graduates march on. 3. Seniors leave their mark in chalk. 4. Mixed emotions. 5. Mel Johnson, Board Chairman, congratulated Gabe Woods. 6. Dal Ballew, hat intact, received Chancellor Berntsen's blessing. 7. Colleen Weekly ate a can on the Taylor's Falls trip.

As the 1986 school year drew to a close, seniors took advantage of Senior Skip Day to spend some time with their classmates. Although the weather was wet, it did not dampen their spirits as they anticipated graduation. The actual commencement occurred on May 24. Governor Quie gave the commencement address, while Kirsten Broman and Brian Bennett each gave their testimonies. The program climaxed with the presentation of the diplomas. Another milestone was passed for each student in the class of 1986
